

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

April 17, 1997 LB 518, 861A, 882

diversion programs before juveniles enter the criminal justice system, for staff secure facilities for juveniles preadjudicated. This would be simply...the population would be focused on the juveniles for the incarceration work camp. The bracket motion was made last week so that we had the opportunity to go until this coming Thursday to look at the different issues and make our case. I think from the discussion today you realize that there is some concerns, and there certainly are a lot of questions out there as to which population should be targeted and which population would benefit most from a work camp facility. I still believe that is the juvenile issue, and I hope that you will give us four days and yourselves to look at this so we can make a case for that. And I thank you for your time.

SENATOR CROSBY: Thank you, Senator Peterson. You've heard the closing. The question is, whether LB 882 should be bracketed? All in favor vote aye, opposed no. A record vote has been requested. Record, please.

CLERK: (Read record vote. See page 1585 of the Legislative Journal.) 5 ayes, 20 nays on the motion to bracket.
